Dear Alabama Republican,

It is an exciting time to be a member of the GOP. From cutting taxes to slashing government regulations at a historic rate and now confirming the first female director of the CIA, President Trump and Congressional Republicans are keeping their promises to the American people.

To add to this excitement, we are only one week away from the Alabama Republican Primary Election where our voters will choose our 2018 GOP candidates. Please join me in encouraging your family and friends to go vote. May we never take this privilege we have for granted. Remember, these are your candidates and Alabama’s future. Your vote matters.

It’s great to be a Republican,

Terry Lathan
Chairman, Alabama Republican Party
