Dear Alabama Republican,

Election season is now in full swing! With our primary election behind us and upcoming runoff and general elections, the ALGOP is moving full speed ahead to help your Republican candidates get elected. We congratulate and support Governor Kay Ivey as our official nominee for Governor of Alabama.

Check out these impressive primary election numbers:

- 68% of voters cast a Republican ballot
- 108% more GOP voters than the Democrats

- Tuscaloosa County (home county of the Democrat nominee for governor) - Republicans overall received 30% more votes than the Democrats and 43% more votes than the Democrat nominee for governor

While our GOP team is strong, we do need your help to get across the November 6th finish line. If you would like to volunteer with us you can sign up [here](#).

Night and Day

"THERE'S NO DIFFERENCE BETWEEN A REPUBLICAN AND A DEMOCRAT!" WE'VE ALL HEARD THAT OLD SAYING, BUT JUST BECAUSE WE'VE HEARD IT DOESN'T MEAN IT'S TRUE. IN FACT, IT'S ONE OF THE BIGGEST "FAKE NEWS" SAYINGS EVER. SEE THE DIFFERENCES FOR YOURSELF AND SHARE WITH OTHERS. SOURCE: THE WASHINGTON TIMES AND THE PLATFORMS OF THE RNC AND DNC.

Republican Platform

The 54-page Republican platform calls for greater personal responsibility; decentralizing power; a balanced-budget amendment; reducing the size and scope of government; parental rights; gun ownership and religious liberty; tax incentives for economic growth; reducing taxes across the board; a crackdown on the Internal Revenue Service; overturning the Supreme Court's rulings on Obamacare, abortion and same-sex "marriage"; rejecting any treaties not vetted by the Senate; rescinding President Obama's executive orders granting amnesty to illegal immigrants; withholding federal funds from "sanctuary cities"; building a wall on our southern border; rebuilding American military strength, and exerting international leadership against ISIS and other threats.

GOP: Build the Keystone XL Pipeline from Canada.

Dems: Reject the Keystone XL Pipeline.

GOP: Encourage domestic production by expanding drilling on federal lands and offshore. Get rid of the Obama Administration's anti-fossil fuel policies and wasteful crony subsidies to "green" schemes like Solyndra.

Dems: Discourage domestic oil production and stop drilling in the Arctic or Atlantic. Support new EPA rules on fracking. Replace fossil fuels with "wind in Wyoming to solar in Nevada."

Democratic Platform

The 52-page Democratic Party platform promises a new War on Poverty and the Bernie Sanders-inspired Socialist War on the Rich [not their wording]; massive new public works projects; expanding federal programs at every level; more tax-subsidized abortions; cradle-to-grave health care; a "cradle-to-college pipeline"; free public college tuition for all; free childcare; mandatory national service; racial affirmative action; the LGBT political agenda; new regulatory mandates on businesses; a radical climate change agenda; leading "a broad coalition of allies and partners to destroy ISIS' stronghold in Iraq and Syria," and sky-is-the-limit confiscatory taxation, including a new levy on financial transactions, to pay for it all.

GOP: Overturn Obamacare and replace with free market, patient-centered reforms.

Dems: Expand Obamacare. Force all states to expand Medicaid.

GOP: Require proof of citizenship when registering to vote and secure photo ID when voting.

Dems: Oppose photo ID laws; expand early voting, same-day registration, universal automatic registration, and convicts' voting rights.

GOP: Keep the combat exemption for servicewomen and oppose drafting women.

Dems: Put women on the front lines in the name of equality.

GOP: Affirm parental authority over the education of their children. Support phonics, teacher merit pay, discipline, “choice-based, parent-driven accountability at every stage of schooling,” education tax credits and applaud States that repeal Common Core.

Dems: Expand the federal role in education. Support “universal preschool” and “civil structures” that allow children to “thrive.” Support Obama’s edict for all schools to allow access to restrooms and locker rooms based on gender identity instead of biological sex

GOP: Protect innocent human life. Permanently ban federal funding and subsidies for abortion and healthcare plans that include abortion coverage. Support “informed consent, parental consent, waiting periods, and clinic regulation.” Defund Planned Parenthood “so long as they provide or refer for elective abortions or sell fetal body parts rather than provide healthcare.”

Dems: Expand abortion availability and frequency by overturning federal and state laws and policies that impede a woman’s access to abortion. Continue subsidizing Planned Parenthood.

GOP: Appoint judges who respect the rule of law expressed within the Constitution and Declaration of Independence, including the inalienable right to life and the laws of nature and nature’s God.

Dems: Institute judicial appointment litmus tests on abortion and limiting free speech by overturning the Citizens United [Supreme Court](#) ruling that allows nonprofits, corporations and unions to have a voice in the political process.
