

**RESOLUTION 2026-2-1
2026 ALGOP SUMMER MEETING**

**Resolution Urging Acting Attorney General Todd Blanche
to Take Immediate Action to End the Biden Administration’s
Unlawful Mail-Order Abortion Drug Policy**

WHEREAS, during the Biden presidency, his administration adopted a policy applied to the FDA allowing the drug mifepristone, part of a two-drug regimen to cause an abortion, to be delivered upon mail order via the postal system; and

WHEREAS, the State of Louisiana has sued the FDA seeking a return to the FDA’s pre-COVID Risk Evaluation and Mitigation Strategy safeguards, including in-person dispensing, which facilitates medical oversight and screening for coercion; and

WHEREAS, one of the named Plaintiffs in the suit, Rosalie Markezich, states her boyfriend pressured her into an abortion after he ordered the drugs online, and stated that “If mail order abortion wasn’t a thing, I’m 100% sure I would have my child... I do not believe a doctor would have prescribed me the drugs if I told her I did not want them.”; and

WHEREAS, Louisiana is well-positioned to prevail in its suit inasmuch as a Fifth Circuit panel previously found the state is “strongly likely” to succeed on its claim that the FDA’s mail-order abortion rule violates the Administrative Procedure Act, and because the court also recognized Louisiana’s standing based on concrete harms to its sovereign interests and increased healthcare costs from abortion drug complications; and

WHEREAS, thus far, the DOJ has sought to pause or dismiss cases such as Louisiana v. FDA, when in fact, the DOJ could quickly put a stop to mail-order abortion policy by simply agreeing to a court-ordered consent decree in the Louisiana v. FDA case, to end the mail-order abortion pill rule and restore in person dispensing while the FDA completes a prompt, rigorous safety review; and

WHEREAS, the mail-order abortion drug regime is also out of step with an overwhelming majority of Americans: A nationwide McLaughlin & Associates survey found that 7 in 10 likely general election voters, including 57% of liberal voters, approve of requiring a medical visit to receive a prescription for abortion drugs; and

WHEREAS, pro-life states, including the state of Alabama, cannot effectively enforce their laws while an FDA regulation gives cover to mail-order abortionists and while the DOJ appears to be defending the practice, which serves to protect the profits of abortion drug manufacturers; and

WHEREAS, the current state of affairs as outlined herein, also undermines other state laws, including those of Alabama, including basic protections against practicing medicine without a license, while shielding abortionists who ship drugs across state lines.

NOW, THEREFORE, BE IT RESOLVED, that based upon the foregoing, the Alabama Republican Executive Committee urges Acting Attorney General Todd Blanche to immediately take action to end the abortion mail order policy by seeking and agreeing to a court-ordered consent decree in the Louisiana v. FDA litigation that would restore in-person dispensing while the FDA completes a prompt, rigorous safety review of the drug mifepristone; and

BE IT FURTHER RESOLVED, that the Secretary is directed to send copies of the signed resolution to President Donald J. Trump, Acting Attorney General Todd Blanche, Secretary of Health and Human Services, Robert F. Kennedy, Jr. and Acting FDA Commissioner, Kyle A. Diamantas.

This resolution adopted by the Alabama Republican Executive Committee on this the 1st day of August, 2026, in session at Montgomery, Alabama.

**RESOLUTION 2026-2-2
2026 ALGOP SUMMER MEETING**

**RESOLUTION SUPPORTING TRANSPARENCY AND PROHIBITING THE DIVERSION OF CAMPAIGN
CONTRIBUTIONS TO CANDIDATE-CONTROLLED NONPROFIT ORGANIZATIONS**

WHEREAS, the Alabama Republican Party has long stood for honesty, transparency, accountability, and ethical stewardship of the public trust; and

WHEREAS, citizens who contribute to political campaigns have a reasonable expectation that their donations will be used solely to advance the election of the candidate for whom the contributions were solicited and for other lawful campaign purposes; and

WHEREAS, public confidence in the electoral process is undermined whenever campaign funds are transferred directly or indirectly to nonprofit organizations controlled by the candidate, the candidate's immediate family members, or entities in which the candidate or immediate family members have a financial or governing interest; and

WHEREAS, even where certain transactions may technically comply with existing campaign finance reporting requirements, such transfers create the appearance of self-dealing, conflicts of interest, and the potential misuse of donor funds; and

WHEREAS, Alabama's campaign finance laws, including the Alabama Fair Campaign Practices Act and the Alabama Ethics Law, recognize the importance of transparency, truthful reporting, and preventing personal enrichment through public office and campaign activity; and

WHEREAS, Alabama Code §17-5-7 generally limits the personal use of campaign funds and establishes standards governing the expenditure of campaign contributions; and

WHEREAS, Alabama Code §36-25-5 prohibits the use of official position for personal gain and reflects Alabama's strong public policy against financial self-dealing by public officials; and

WHEREAS, the Alabama Republican Party has an obligation to hold Republican candidates to the highest ethical standards and to protect Republican donors from even the appearance of improper financial arrangements.

NOW, THEREFORE, BE IT RESOLVED BY THE ALABAMA REPUBLICAN PARTY, AND URGED UPON THE LEGISLATURE OF ALABAMA, to enact legislation prohibiting any candidate for public office from transferring, donating, granting, or otherwise directing campaign contributions to:

1. Any nonprofit organization in which the candidate serves as an officer, director, trustee, or employee;
2. Any nonprofit organization owned, operated, managed, or controlled by the candidate's spouse, parents, children, siblings, or other immediate family members;
3. Any nonprofit organization in which the candidate or an immediate family member exercises substantial influence over the organization's finances, or a member exercises substantial influence over the organization's finances, governance, or operations.

BE IT FURTHER RESOLVED that any violation of such legislation should include:

1. Mandatory civil fines equal to not less than three times the amount improperly transferred;
2. Full restitution of improperly transferred campaign funds; Mandatory public disclosure of the violation;
3. Referral to the Attorney General or appropriate district attorney for criminal investigation when evidence demonstrates knowing or intentional misconduct;
4. Classification of intentional violations involving substantial amounts as criminal offenses subject to prosecution under Alabama law.

BE IT FURTHER RESOLVED that candidates seeking the endorsement or support of the Alabama Republican Party should certify annually that neither they nor their immediate family members receive campaign funds through nonprofit entities under their ownership or control.

BE IT FURTHER RESOLVED that the Alabama Republican Party encourages the Alabama Ethics Commission and the Legislature to strengthen disclosure requirements involving nonprofit organizations connected to candidates or members of their immediate families so that Republican donors and Alabama voters may have complete transparency regarding the ultimate destination of campaign contributions.

BE IT FINALLY RESOLVED that a copy of this Resolution shall be transmitted to the Chairman of the Alabama Republican Party, each member of the Alabama Republican State Executive Committee, the Governor, the Attorney General, the Secretary of State, and every member of the Alabama Legislature for consideration during the next Regular Session.

**RESOLUTION 2026-2-3
2026 ALGOP SUMMER MEETING**

**COMMENDING THE UNITED STATES SUPREME COURT AND
HONORING THOSE WHO STOOD FOR FAIRNESS IN WOMEN'S AND GIRLS' SPORTS**

WHEREAS, on June 30, 2026, the Supreme Court of the United States, by a vote of six to three in *West Virginia v. B.P.J.* (No. 24-43) and *Little v. Hecox* (No. 24-38), held that state laws reserving women's and girls' athletic teams for biological females violate neither Title IX nor the Equal Protection Clause of the Fourteenth Amendment; and

WHEREAS, the Court's decision affirms the constitutional authority of the several states to protect women's athletics and to preserve the promise of Title IX, which was enacted to expand opportunity for women and girls rather than to diminish it; and

WHEREAS, Alabama did not wait for the courts to grant permission to do what was right, but acted years before this question reached the nation's highest court; and

WHEREAS, Governor Kay Ivey signed House Bill 391 into law on April 23, 2021, protecting girls' athletics in Alabama's public K-12 schools, and signed House Bill 261 into law on May 30, 2023, extending that protection to women's athletics at Alabama's public two-year and four-year institutions of higher education; and

WHEREAS, House Bill 391 was sponsored in the Alabama House of Representatives by Representative Scott Stadthagen, now Chairman of the Alabama Republican Party, and House Bill 261 sponsored by Representative Susan DuBose, and the Alabama Legislature passed these measures in the face of sustained pressure from national activist organizations and much of the national media, understanding that leadership is not the following of public opinion but the defense of principle when the outcome is uncertain; and

WHEREAS, United States Senator Tommy Tuberville, who spent decades teaching young athletes that rules matter, that competition matters, and that fairness matters, spoke with conviction on this question long before it reached the Supreme Court, and never wavered, never apologized, and never surrendered to the political winds; and

WHEREAS, the Supreme Court has now settled the constitutional question, and Alabama settled the moral question years ago;

NOW, THEREFORE, BE IT RESOLVED BY THE ALABAMA REPUBLICAN PARTY STATE EXECUTIVE COMMITTEE, that this Committee commends the Supreme Court of the United States for recognizing

that the states possess both the authority and the responsibility to protect fairness in athletics, and for restoring confidence that common sense retains its place in our constitutional system; and

BE IT FURTHER RESOLVED, that this Committee thanks United States Senator Tommy Tuberville for his steadfast and unapologetic defense of women's athletics, in Alabama and in the United States Senate; and

BE IT FURTHER RESOLVED, that this Committee thanks Governor Kay Ivey and the members of the Alabama Legislature for the foresight and the backbone to act before the courts confirmed that they were right; and

BE IT FINALLY RESOLVED, that copies of this Resolution be transmitted to Governor Kay Ivey, to United States Senator Tommy Tuberville, to and to the presiding officers of the Alabama Legislature, as an expression of the gratitude of the Republican Party of Alabama.
